A screenshot of the "Co-Star" app's sign-up form. At the top is a black bar with a left arrow and the text "Sign Up". Below is a text box containing a message about using NASA data to personalize charts. The form includes fields for "Birth Date" (03-02-1991), "Birth Time" (3:00 PM), and "Birth Place" (New York, NY). At the bottom is a large circular "continue" button with a right-pointing arrow.

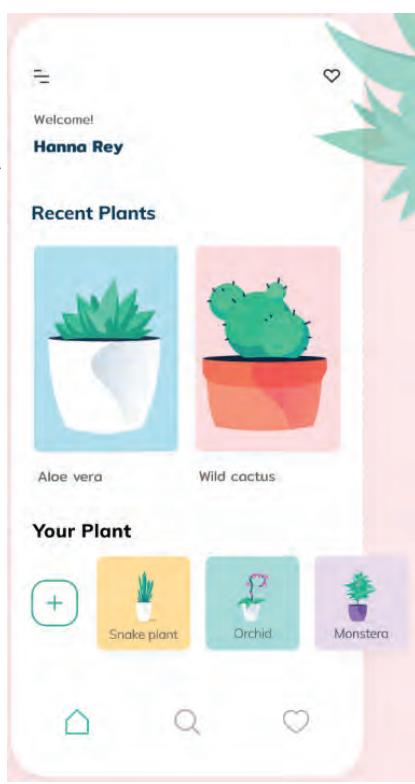

-> duidelijk en simpel lay-out.
1 duidelijk "verder"-button, niet te hoog,
makkelijk kunnen pushen. Je moet
zien wat je ingeeft, ook als keyboard/
agenda open staan
